The American dollar isn't worth the paper it's printed on... so I keep all my money in Bitcoin.

A photograph of two men in suits walking outdoors. The man on the left is speaking, and a speech bubble contains his words. The man on the right is listening. The background is a blurred green field.

Just like in your Ontario ,
here in Saskatchewan it's
the police who own the
marijuana market , so we
need to combine our efforts
in sabotaging the rollout of
Trudeau's legalization .

A man with grey hair and glasses, wearing a dark suit, white shirt, and red tie, is shown from the chest up. He is gesturing with his hands while speaking. The background is dark and out of focus, with a single light source visible in the upper left.

"I will chop off Trudeau's
legalization so that we can
maintain the police monopoly
over the control and sale of
marijuana in this province"

Our banging the carbon tax drum is only to distract the hillbillies from our business dealings with the communist Chinese. Huawei, their state owned telecom, now has the complete data-set on all Saskatchewanians. Plus, they stiffed us on the GTH. So, yes, I will continue to bang away against a carbon tax until the next election, when the hillbilly retards put us back into government.

**"Despite Trudeau's legalization ,
Saskatchewan will fight tooth ,
nail and claw to maintain the
police monopoly over the
control and distribution of
marijuana in the province ."**

With advances in stem cell technology the reason to allow massive numbers of abortions to provide billionaires with a steady supply of stem-cell milkshakes is no longer valid. So ROE vs. WADE will be overturned. That ought to put an end to the declining birth rate of white people and the need to for so many immigrants to come here.

A woman with dark hair, wearing a red jacket, is shown in profile, looking upwards and to the right with a thoughtful expression. A large, white-outlined thought bubble is positioned above her head, containing text. The background is dark and out of focus, with a warm light source on the left.
